August 10th, 2018

ADSE - Abbotsford Defence Security Expo 2018

Ref: 20 year Partnership between Hel eCrane (a div. of Electric Air & Marine Inc.), & BC Air Guards Systems Concepts Inc.

To Whom It May Concern,

This letter is to announce that Hel eCrane (a div. of Electric Air & Marine Inc.), have forged a 20 year exclusive partnership, for heavy lift aviation technologies, with BC Air Guards Systems Concepts Inc., to research, develop, commercialize, manufacture and distribute, manned and unmanned UAV heavy lift aviation technologies in Canada, for use in Canada, and for trade export to international markets.

In this partnership, Electric Air & Marine Inc. will be the developers and suppliers of Hel eCrane, a revolutionary new heavy lift aviation system, designed to aerielly transport all standard sized shipping containers, via two manned and unmanned UAV versions.

BC Air Guards will provide:

- all air & marine space for Hel eCrane testing and approvals
- support & development of permanent airway and marine networks for Hel eCrane, first in BC, then in Canada.
- testing of Hel eCrane for all necessary Canadian approvals
- be the source of policies, procedures and best practices on how to use Hel eCrane in Canada (military version exempt).
- be the sole training and support services provider for Hel eCrane in Canada (military version exempt).

Cordially,

Arif Dewji - CEO  
Electric Air & Marine Inc.
